[MRCET-KB-01] College Overview

Keywords: MRCET, about, established, Malla Reddy, autonomous, JNTUH, AICTE, NBA, NAAC, college code MLRD

Malla Reddy College of Engineering & Technology (MRCET) is a constituent college of the Malla Reddy Group of Institutions (MRGI), established in 2004. It is located at Maisammaguda, Dhulapally, Kompally, Medchal, Hyderabad - 500100, Telangana, India. The campus is described by the college as situated away from the hustle and bustle of the city, with a serene, green setting suited to teaching and learning.

Item	Details
Full name	Malla Reddy College of Engineering & Technology (Autonomous)
Short name / college code	MRCET / MLRD (used for EAMCET, ICET and PGCET counselling)
Parent group	Malla Reddy Group of Institutions (MRGI)
Established	2004
Status	Autonomous institution (UGC, Govt. of India)
Approvals	Approved by AICTE, New Delhi; approved by Govt. of Telangana; permanently affiliated to JNTUH, Hyderabad
Accreditations	NBA (Tier-I); NAAC with A Grade; ISO 9001:2015 certified
UGC recognition	Section 2(f) and 12(B)
Rankings / ratings (as published)	NIRF ranked institution (251-300 band); Band 'A' in ARIIA (ATAL Rankings, Govt. of India); 5-star rating from AICTE-MoE Institution's Innovation Council (IIC 2.0); AICTE-IIC recognised mentor institution

Note for the assistant: rankings and ratings are point-in-time claims taken from the college website. Present them as 'the college states...' and do not describe them as current rankings.

[MRCET-KB-02] Vision, Mission and Quality Policy

Keywords: vision, mission, quality policy, objectives, values

Vision: To establish a pedestal for integral innovation, team spirit, originality and competence in students, expose them to global challenges, and help them become pioneers of the Indian vision of a modern society.

Mission:

- To become a model institution in the fields of Engineering, Technology and Management.
- To impart holistic education so that students become industry-ready engineers.
- To keep the institute's ideologies in step with the challenging demands of international pioneering organizations.

Quality policy:

- Implement best practices in the teaching-learning process for both UG and PG courses.
- Provide state-of-the-art infrastructure and expertise for quality education.
- Groom students to be intellectually creative and professionally competitive.
- Channel activities with commitment and sincerity to achieve success year after year.

[MRCET-KB-03] Location, Contact Details and How to Reach

Keywords: address, contact, phone, email, map, location, Kompally, Maisammaguda, Dhulapally, Hyderabad, directions

Item	Details
Address	Maisammaguda, Dhulapally, Kompally, Medchal, Hyderabad - 500100, Telangana, India. (The website contact page also prints the locality as 'Maisammaguda, Bhadurpalle'; the footer and all other pages use 'Dhulapally, Kompally'.)
Phone numbers	9133555162 / 9133555183
Emails	mrcet2004@gmail.com; mrcetoffice2004@gmail.com; adminoffice@mrcet.ac.in
Map coordinates (approx.)	17.5614 N, 78.4551 E (Google Maps pin 'MRCET CAMPUS')
Official website	https://mrcet.com/
Student ERP / login	https://www.mrceterp.com (student login and exam branch login)
Online fee payment	https://icici.myclassboard.com (link shown as 'Fee payments' on the website)
Notifications app	'MRCET Notifications' Android app on Google Play; a separate MRCET college mobile app is also listed
Alumni portal	https://alumni.mrcet.com
Social media	YouTube: MRCETonline; X/Twitter: MRCET_online; Facebook page: Malla Reddy College of Engineering & Technology

[MRCET-KB-04] Management, Governance and Principal

Keywords: management, chairman, secretary, president, principal, governance, board of governors

- Sri Ch. Malla Reddy - Founder Chairman
- Sri Ch. Mahender Reddy - Secretary
- Dr. Ch. Bhadra Reddy - President
- Dr. Vaka Murali Mohan - Principal & Professor of CSE

The website also has pages for the Board of Governors, Academic Council, Board of Studies, institutional committees and service rules. Personnel can change, so the assistant should treat the official site (https://mrcet.com/Management.html and /Principal.html) as the source for the current office-bearers.

[MRCET-KB-05] Programmes Offered and Published Intake

Keywords: courses, programmes, B.Tech, M.Tech, MBA, PhD, intake, seats, branches, specializations

Undergraduate (B.Tech) - intake as published in the MRCET programme information:

Programme	Published intake
B.Tech Computer Science & Engineering (CSE)	420
B.Tech CSE (Artificial Intelligence & Machine Learning)	300
B.Tech CSE (Data Science)	240
B.Tech CSE (Cyber Security)	60
B.Tech Electronics & Communication Engineering (ECE)	300 (see conflict note in Section 16)
B.Tech Electrical & Electronics Engineering (EEE)	30
B.Tech Aeronautical Engineering	60
B.Tech Mechanical Engineering	30
B.Tech Civil Engineering	60

Other B.Tech disciplines that the college's campus page and department menu list (intake figures were not found in the pages reviewed): CSE (Internet of Things), Artificial Intelligence & Machine Learning (AI&ML), Artificial Intelligence & Data Science (AI&DS) and Information Technology (IT). The Humanities & Sciences department

supports first-year teaching.

Postgraduate and research:

Programme	Published intake / note
M.Tech Computer Science & Engineering	24
M.Tech VLSI & Embedded Systems (ECE)	18
M.Tech Aerospace Engineering	18
M.Tech Machine Design (Mechanical)	18
MBA - Master of Business Administration	240
Ph.D - Electronics & Communication Engineering	Research programme

Minor degree: the college website states that a B.Tech Minor Degree in Advanced Web Development has been offered from A.Y. 2022-23.

Foreign students and PIO candidates are admitted in the supernumerary quota (per the programmes page).

[MRCET-KB-06] Departments

Keywords: departments, HOD, department pages, faculty list, CSE, ECE, EEE, mechanical, civil, aeronautical, IT, MBA

Department pages on the official website (base URL https://mrcet.com/):

Department	Page
Humanities & Sciences	H&S.html
Aeronautical Engineering	AE.html
Civil Engineering	CE.html
Computer Science & Engineering	CSE.html
CSE (AI & ML)	CSEAIML.html
CSE (Data Science)	CSEDS.html
CSE (Cyber Security)	CSECS.html
CSE (Internet of Things)	CSEIOT.html
AI & ML	AIML.html
AI & Data Science	AIDS.html
Information Technology	IT.html
Electronics & Communication Engg.	ECE.html
Electrical & Electronics Engg.	EEE.html
Mechanical Engineering	ME.html
MBA	MBA.html
M.Tech courses	Mtech.html

Faculty list: https://mrcet.com/Facultylist.html. Each department page carries department-specific timetables, syllabus links and downloads.

[MRCET-KB-07] Academic Regulations, Syllabus, Calendar and Examinations

Keywords: regulation, R24, R22, R20, R18, syllabus, academic calendar, timetable, exam, previous question papers, minor

- Separate academic regulations are published for different admitted batches: R24, R22, R20, R18 and earlier (https://mrcet.com/AcademicRegulations.html).
- Course structures and syllabi: https://mrcet.com/Syllabus.html

- Academic calendar: https://mrcet.com/AcademicCalendar.html
- Timetables: https://mrcet.com/TimeTables.html
- Previous question papers are provided through department download pages.
- Examinations: https://mrcet.com/ExamBranch.html. The homepage links B.Tech examination notifications and M.Tech / MBA examination schedules.
- ERP and exam branch login: https://www.mrceterp.com

Assistant rule: which regulation applies depends on the student's admitted batch (for example, a 2024 B.Tech entrant is under R24). If a question is regulation-specific (credits, backlogs, attendance, grading), ask the student for the batch or regulation before answering, and point to the regulation PDF for the final rule.

[MRCET-KB-08] B.Tech Admission Procedure and Eligibility

Keywords: admission, eligibility, EAMCET, EAPCET, ECET, lateral entry, management quota, NRI, category B, how to apply

- Admissions are made along with other engineering colleges in the state through the common entrance test conducted by the Government of Telangana / Andhra Pradesh.
- 70% of B.Tech seats are filled on merit in EAMCET / EAPCET; 30% are earmarked for Management / NRI candidates (Category B).
- Diploma holders are admitted to the second year of B.Tech under the lateral-entry scheme, up to 20% of intake, based on ECET merit.
- College code for counselling: MLRD.
- How to apply (management quota): download the application form from the website, fill it in and submit it in person. Details: https://mrcet.com/Application&Eligibility.html
- Admission policy (2026 PDF) and Category B notifications and guidelines are linked from the Admissions menu of the website.
- Foreign nationals / PIO candidates: admitted in the supernumerary quota (see the FN/PIO/CIWG G.O. linked on the website).
- Contact for admission queries: 9133555162 / 9133555183, mrcet2004@gmail.com

Documents listed on an official MRCET admission form (as applicable): provisional allotment order, passport-size photographs, EAMCET rank card, SSC certificate, Intermediate certificate, bonafide / study certificate, transfer certificate, Aadhaar copy and caste certificate. Requirements vary by route and year; verify the current instructions.

[MRCET-KB-09] M.Tech and MBA Admission Eligibility

Keywords: M.Tech eligibility, GATE, PGECET, MBA eligibility, ICET, postgraduate admission

Programme	Eligibility (as published)
M.Tech Aerospace Engineering	B.E / B.Tech in Aeronautical or Mechanical Engineering (or equivalent) with valid GATE score, or rank in the JNTU-conducted test
M.Tech Computer Science & Engineering	B.E / B.Tech in CSE (or equivalent) with valid GATE score, or rank in the JNTU-conducted test
M.Tech Systems & Signal Processing / VLSI & Embedded Systems (ECE stream)	B.E / B.Tech in ECE, EEE, CSE, IT or Electronics & Instrumentation (or equivalent) with valid GATE score, or JNTU test rank. (The eligibility page names 'Systems & Signal Processing'; the programme list names 'VLSI & Embedded Systems'.)
M.Tech Machine Design	B.E / B.Tech in Mechanical, Automobile, Mechatronics or Aeronautical Engineering (or equivalent) with valid GATE score, or JNTU test rank
MBA	Pass in an undergraduate degree (10+2+3). 70% of seats on ICET merit; 30% Management / NRI quota

[MRCET-KB-10] Published Fees

Keywords: fee, fees, tuition, TAFRC, fee structure, payment, cost

- B.Tech: TAFRC fixed the fee at Rs 99,800 per annum for the 2025-2028 block period, as stated in the MRCET programme information used for this knowledge base. An earlier snapshot of the same page (block period 2022-2025) showed Rs 1,10,000 per annum.
- M.Tech (full-time): Rs 60,000 (published programme information).
- MBA (full-time): Rs 60,000 (published programme information).
- Fee payment details PDF: https://mrcet.com/downloads/fee.pdf; online payment link: https://icici.myclassboard.com

Assistant rule: state fees together with their block period, say they are 'published' figures and advise the student to confirm the current-year fee notification with the college office before paying. Do not quote fees as permanent.

[MRCET-KB-11] Scholarships and Fee Reimbursement

Keywords: scholarship, ePASS, Telangana ePass, fee reimbursement, SC ST BC OC, income limit

- The college's Scholarship page describes the Telangana ePASS portal (the Telangana counterpart of the AP ePass portal, epass.cgg.gov.in) for scholarships to students of categories such as OC, SC, ST, BC and PWD.
- Income criteria stated on the page: parental income below Rs 2 lakh per annum, and below Rs 1 lakh per annum for OC / General category.
- The page hosts fresh and renewal scholarship circulars (2018-19, 2020-21, 2022-23) listing the required documents. Year-specific circulars should be checked for the current year.

Assistant rule: income limits and dates are set by the Government and change; direct students to the current circular on https://mrcet.com/Scholarship.html and to the college office.

[MRCET-KB-12] Campus Facilities

Keywords: hostel, library, transport, bus, sports, gym, canteen, auditorium, medical, wifi, CCTV, facilities

Hostel: separate hostel buildings for girls and boys. Facilities listed by the college: hygienic dining, purified water, 24x7 medical facility, ambulance service, security, CCTV surveillance, power backup, solar hot water, in-house wardens, indoor / outdoor games, TV room, Wi-Fi, housekeeping and clean surroundings. (https://mrcet.com/hostel.html)

Transport: the college provides bus facilities for students and staff connecting different parts of the city, with exclusive buses on specific routes for girl students. An MRCET handbook edition cites 30 buses and 24 routes; treat these numbers as handbook-specific, not a guaranteed current count. Route details: https://mrcet.com/Transport.html

Library / Learning Resource Centre: membership for students and staff, automated bar-coded circulation. Published borrowing limits: UG students 3 documents for 14 days; PG students 4 documents for 14 days; teaching staff 8 documents for one semester; non-teaching staff 3 documents for one month. (https://mrcet.com/library_services.html)

Sports and fitness: basketball courts, volleyball, throwball and kho-kho courts, an outdoor cricket area and a weight-training gym. Students are encouraged to take part in inter- and intra-college competitions.

Other listed areas: lecture halls, auditorium, library information centre, canteen, gymnasium and a 360-degree virtual campus tour on the website.

Student welfare and safety cells listed on the website: Anti-Ragging Cell, Grievance Redressal Cell, Ombudsperson, NSS unit (recognised by JNTUH), and NCC (MRCET unit and 1 (T) Arty Bty).

[MRCET-KB-13] Training and Placements

Keywords: placement, TPO, dean of placements, CRT, recruiters, campus drive, Amazon, TCS, Deloitte, Cognizant

The Training & Placement (T&P) Cell handles placement training, corporate exposure, recruitment drives and career development. The college highlights communication skills, problem solving, value-added programmes, an industry-oriented curriculum, live projects with summer internships, and career advisory services.

- Dean of Placements: Prof. K. Kailasa Rao (per the placement page).
- Training & Placement Officer: Dr. I. Umamaheswara Rao, Associate Professor & TPO (the earlier compiled PDF listed the name with the title 'Mr.'; the placement page shows 'Dr.').
- Campus Recruitment Training (CRT) is organised in phases; for example, a Phase-I CRT schedule for the 2026 pass-out batch was published for December 2024.
- MoUs with Tech Mahindra, NTT Data and Zensar are described as providing recruitment opportunities.
- Placement pages: about, vision & mission, brochure, training & certifications, infrastructure, esteemed recruiters, placement summary, organising committee and contact (start at https://mrcet.com/Placements.html).

Companies that conducted drives, as listed in the placement updates (historical, roughly 2023 to early 2025): Amazon (multiple drives), Deloitte, Cognizant, HCL (including a pre-placement talk for the 2026 batch), Tech Mahindra, Capgemini, TCS, TEKsystems, DBS, Ujjivan, DeltaX, Valeo, GlobalLogic, CampX, Real Phase, Lumen Technologies, Tata Advanced Systems, Eleation, Virtusa, UST Global, Commvault, Sutherland and CII Godrej.

Assistant rule: these are past examples, not a promise of future recruitment or packages. Do not state salary or placement-percentage figures unless they appear in an ingested placement summary document.

[MRCET-KB-14] Research, Innovation, Industry Links and Centres

Keywords: research, incubation, IIC, IIPC, EDC, patents, MoU, CISCO, Microsoft, IBM, NASSCOM, international conference

- Research Centre status from JNTUH, Hyderabad; Ph.D programme in ECE.
- R&D / Technology Business Incubator (TBI), NISP, EDC / IIPC (Industry Institute Partnership Cell), Institute Innovation Cell, AICTE IDEA Lab and a Patents page are listed on the website.
- Business Incubation Centre - MSME, Govt. of India; MoU with NRDC, Govt. of India; recognised SIRO (Scientific & Industrial Research Organization).
- Centres and partnerships stated by the college: IBM Centre of Excellence; Microsoft Innovation Centre; Cisco authorised certification centre; NASSCOM nodal centre for assessment; Java certification through Oracle Academy; nodal centres of IIT Bombay and IIT Kharagpur for technology transfer.
- MoUs mentioned: National Aerospace Laboratories (NAL), Tech Mahindra, Zensar Technologies, University Malaysia Sarawak (UNIMAS), ESOL Examinations (Cambridge).
- International conferences: ICSCSP (CSE, ECE, IT) and ICIMES (Mechanical), with their own websites.
- Global Education and Career Counselling Centre supports international education.

Some of these items come from the college's 'Achievements' page, which mixes older entries (for example 2014 to 2019 rankings and surveys). Confirm currency before presenting them as active.

[MRCET-KB-15] Suggested FAQ Pairs for the AI Helpdesk (RAG-Ready)

Keywords: FAQ, questions and answers, chatbot, helpdesk, sample queries

Question	Answer (grounded in this document)
Where is MRCET located?	Maisammaguda, Dhulapally, Kompally, Medchal, Hyderabad - 500100, Telangana.
What is the college code?	MLRD (EAMCET / ICET / PGCET).
Which courses are offered?	B.Tech in CSE, CSE (AI&ML), CSE (Data Science), CSE (Cyber Security), ECE, EEE, Aeronautical, Mechanical and Civil; M.Tech in CSE, VLSI & Embedded Systems, Aerospace and Machine Design; MBA; Ph.D in ECE. See Section 5.
Is MRCET autonomous? Which university is it affiliated to?	Yes, it is autonomous, approved by AICTE and permanently affiliated to JNTUH.
How are B.Tech seats filled?	70% on EAMCET/EAPCET merit and 30% under Management/NRI quota; lateral entry (up to 20% of intake) through ECET.
What is the B.Tech fee?	Published as Rs 99,800 per annum for the 2025-2028 block period; confirm with the college for the current year.
Which regulation applies to me?	It depends on your admission batch (R24, R22, R20, R18...). Tell me your batch and I will point you to the right regulation.
Where can I find the syllabus / timetable / academic calendar?	https://mrcet.com/Syllabus.html, /TimeTables.html and /AcademicCalendar.html
Is hostel available?	Yes, separate hostels for boys and girls with dining, Wi-Fi, medical facility, security and CCTV.
Is bus transport provided?	Yes, college buses serve multiple city routes, with exclusive buses for girls on specific routes. Check the Transport page for the current routes.
How many books can I borrow from the library?	UG: 3 documents for 14 days; PG: 4 documents for 14 days.
Who is the Principal?	Dr. Vaka Murali Mohan, Principal & Professor of CSE (per the official homepage).
Who heads placements?	Prof. K. Kailasa Rao is Dean of Placements; Dr. I. Umamaheswara Rao is the Training & Placement Officer.
Which companies have visited for placements?	Examples include Amazon, Deloitte, Cognizant, HCL, TCS, Capgemini, Tech Mahindra, Virtusa and UST Global (historical drives).
How do I get a scholarship?	Apply through the Telangana ePASS portal; see the current circular on the Scholarship page.
How do I contact the college?	Phone 9133555162 / 9133555183; email mrcet2004@gmail.com or adminoffice@mrcet.ac.in.

[MRCET-KB-16] Data Conflicts, Freshness and Assistant Guardrails

Keywords: verify, discrepancy, outdated, guardrails, disclaimer, RAG instructions

Points where sources disagree (flagged during compilation on 23 September 2026):

Topic	What differs	How to answer
B.Tech fee	Compiled PDF: Rs 99,800 p.a. for 2025-2028. Website snapshot fetched during compilation: Rs 1,10,000 p.a. for 2022-2025.	Quote the block period; say to confirm the current notice.
ECE intake	Compiled PDF: 300. Website snapshot fetched during compilation: 120.	Say the published figure varies by source/year; ask the user to verify with admissions.

Topic	What differs	How to answer
TPO name/title	Compiled PDF: 'Mr. I Uma Maheshwara Rao'. Placement page: 'Dr. I Umamaheswara Rao, Associate Professor & TPO'.	Use the placement page version.
Locality	Contact page: 'Bhadurpalle'; other pages: 'Dhulapally, Kompally'.	Use 'Maisammaguda, Dhulapally, Kompally, Medchal'.
Department list	Compiled PDF lists CSE & IT; website menu also lists AI&ML, AI&DS and CSE (IoT); Civil appears in the PDF programme table.	List all, but note intake is only published for the programmes in Section 5.

Guardrails for the LLM: (1) answer only from retrieved context and cite the section number; (2) if the context lacks the answer, say so and give the official contact instead of guessing; (3) always attach the time frame to fees, rankings, placement drives and personnel; (4) ask for the admission batch before answering regulation-specific questions; (5) never invent phone numbers, dates, cut-offs or package figures.

Suggested RAG settings: chunk by section (each section here is self-contained and repeats the entity name); use the Section ID and 'Keywords' line as chunk metadata; re-crawl the source URLs each semester and after admission or fee notifications.

[MRCET-KB-17] Sources
